TO WHOM IT MAY CONCERN

Please accept this letter of recommendation for PATTILLO Construction Corp., located at Century Parkway NE Suite 100 Atlanta, GA 30345. Beretta U.S.A Corp. hired PATTILLO to build a large factory in central Tennessee. We chose PATTILLO as the company to build our new facility after a very extensive evaluation of a larger number of companies. Based on their experience and success our decision was easily made to partner with them for our new facility.

The PATTILLO staff dedicated to our project brought a level of expertise to the project, building construction, contractor selection, and all other efforts were to complete this complex facility were performed at a level beyond our expectation.

PATTILLO was always responsive on an immediate basis to any inquiries and needs that we had concerning the project. I recommend PATTILLO without reservation to anybody to build new facility

Sincerely

BERETTA U.S.A. CORP.

Francesco Franzini

Vice President Manufacturing & Engineering
