

Marc Manning, CPA

Chief Financial Officer

As a key member of the Leadership Team, Marc is responsible for all financial functions of the company as well as Human Resources, Information Technology, Risk Management, and Surety. The 15 years' experience he gained in the financial sector for a wide range of construction disciplines including commercial, industrial, and residential construction serve him well in this role.

A Master of Accountancy and a Bachelor of Science with a Major in Audit and a concentration in Information Systems, both earned at the University of Florida, are a few qualifications. Marc is also a Certified Public Accountant.
